KaingU takes you on a mobile safari to the remote Liuwa Plains National Park.

Liuwa - described as a photographers dream, sweeping vistas and towering clouds. Pools teeming with birdlife and literally thousands of wildebeest with the accompanying predators – wild dogs, lions and even cheetah. It is a remote and special place that is rightly gaining recognition as a must see destination for true wilderness aficionados. The comfortable KaingU open game viewing vehicle and experienced guide will take you on unforgettable safari drives. A local ZAWA scout will ensure we get to the places self-drivers would not.

Kafue National Park in its fresh November glory. Stay at KaingU Safari Lodge, No. 1* in the Kafue. We offer delicious food, friendly staff, cosy tents, special service and activities customized to your interests. All this on the most magnificent stretch of the Kafue river in Zambia's largest National Park. Experience wildlife on game drive, walk, boatcruise or canoe on the river amongst the islands and channels.

Remote and exclusive, you will feel like you are alone in paradise.

All transfer drives are done in closed vehicles. Picnic lunches, drinks and snacks are included for your journey to and from Liuwa plains.
